Hi Jeff,

I don't know if we actually published the latest rounds of data (phase 3 and 4). If not, I'll have to track down the database. How can I relinquish ownership? I'll need a tutorial on that. :-)

Thanks,

Subject: Pavilion Scribe Subscription

Robert,

I do not have any information on the Pavilion subscription. Scout at ESAT told me that you are the owner and that you relinquished ownership in 2011 so they could load the data and then she gave the ownership back to you. If you would please give me some information and a password for the subscription, I will go in and take a look at the existing data to see what we will need to do for phase 5 data.

Thanks for your help.
